

OFFICIAL TELLS OF CITY NEEDS

DWIGHT W. STEPHENSON, AS
HEAD OF TRUSTEES, GIVES
PUBLIC SOME FIGURES

ASKS IMPROVEMENTS

PROPOSED BOND ISSUE GIVEN
EXPLANATION; REPORTS ON
SEWAGE SYSTEM PLANS

During the meeting held at the First Methodist church last Monday night, on the eve of the membership drive on behalf of the re-organized Chamber of Commerce, Dwight W. Stephenson, president of the Board of City Trustees, made a report on the water and light departments conducted by the city, and, too, told of some of the plans being made for the future.

Trustee Stephenson also spoke of the bond issue to be submitted to the voters on March 29. He cited facts and figures and gave information of interest to the people of Glendale generally. His remarks were briefly given in The Evening News Tuesday night, but the matters that he discussed are considered so vital, his address is given herewith in full:

"The people of Glendale have a splendid asset in their publicly owned and operated utilities, namely, the water and light business. These utilities are giving excellent service in the supplying of water for domestic and irrigation purposes and electricity for lighting and power at rates considerably below the average rate charged for such service. In fact comparisons could be made with near by cities that would show the Glendale rates to be from 15 to 30 per cent lower than rates charged by other cities. That is not my purpose however.

Handsome Surplus Is Earned
"Notwithstanding the good service and low rates these utilities are self supporting. In addition to paying all operating expenses they pay all interest and redemption on outstanding utility bonds and have earned a handsome surplus besides which has been reinvested in the properties. These properties represent assets in the sum of \$799,093.69. Two hundred nineteen thousand four hundred seventeen dollars and four cents of this is invested in the lighting business and \$456,921.27 in the water business. Outstanding bonds issued for the purpose of investment in these utilities amount to \$515,000. The surplus earned by the combined water and light business since its opening (Continued on Page 5)

MONTHLY MEETING

MRS. O. C. LANE IS HOSTESS
TO MISSIONARY SOCIETY
OF CHRISTIAN CHURCH

The monthly meeting of the missionary society of the Christian church was held yesterday afternoon at the home of Mrs. O. C. Lane, 327 Vine. Between forty-five and fifty ladies were present.

The subject was "China" and Mrs. C. W. Bacon, whose son is a worker there, gave a talk on missionary opportunities in that land. At the roll call each one present gave the name of a worker in China as her name was called.

A very interesting letter from Mrs. Fred Hagen, formerly of Glendale, but now stationed in Japan, with her husband and daughter, Edith, was read. Mrs. Alice Jackson, state secretary, gave a short talk and Miss Martha Ray sang.

The church night exercises were held in the evening at the church. About seventy were present at the supper and forty at the Bible study and prayer meeting which followed.

IMPROVEMENTS

SECTION WEST OF PACIFIC
IS RECEIVING LIGHTS;
STREET IS SCRAPED

Some much-needed improvements in the western part of Glendale are now receiving the attention of the various departments of the city. The public service department is at work installing street lights in the section west of Pacific avenue and north of Broadway. This is one of the districts which has built the largest number of new residences in the past year. Pacific avenue south of Doran street is being scraped by the street department.

ILLNESS JUROR HALTS MRS. PEETE'S TRIAL

(Special Service to Glendale Evening News)

LOS ANGELES, Feb. 3.—An attack of heart disease suffered by Juror J. W. Rudd of Downey, California, today brought the trial of Mrs. L. Louise Peete, charged with the murder of Jacob C. Denton, to a sudden halt.

Rudd was stricken while in Judge Willis' court room as the trial was about to be resumed. An adjournment was ordered until 1:30 o'clock this afternoon. It was determined that Rudd's condition was not so serious as to necessitate his being replaced in the jury box by the thirteenth juror.

The delay came just as the defense was preparing for the "big moment" when Mrs. Peete is expected to bring the case to a dramatic climax by appearing on the witness stand and relating her own story of the events apparently connecting her with the crime.

URGES RAILROADS BE ALLOWED WAGE CUT

(Special Service to Glendale Evening News)

CHICAGO, Feb. 3.—Two hundred thousand railroad employees have been laid off by sixty-four railroads of the country since September 1; thirty-six railroads failed to earn operating expenses in January; twenty-eight did not earn their taxes and fixed charges.

These statements were made today by W. W. Atterbury, chairman of the labor board of the railroad executives' association in a public statement supporting the demands of the railroads for a reduction in wages.

MUTUAL BENEFIT

READING CIRCLE HAS MEETING
AND INTERESTING EVENTS
UNDER DISCUSSION

A very interesting meeting of the Mutual Benefit Reading circle was held in the library yesterday, Mrs. A. A. Barton presiding. The review was on "What Makes It Worth While," by Dorothy Canfield Fisher, and was given by Mrs. Cline.

Mrs. John Robert White announced that Dr. Fox of Pasadena would be the speaker for the federation on "Fathers' Night."

Mrs. W. W. Stofft reported that the people in Santa Fe Springs, where she and Mrs. Brown visited last week, are going to form a reading circle.

Master Edward Chester Lynch, the new Circle baby, held quite a reception. His mother was presented with "The Montessori Mother," a book which the Circle has read.

Tells of Library Work
Mrs. Danford spoke of the work of the library in fostering the good things the Circle is trying to give their children. She also stated that the library would be glad to give space for any pictures which the members might care to have hung in the juvenile room.

After luncheon, the reading of the book, "The Essentials of Character," by Sisson, was continued, the chapter on "Habit" being under discussion, especially that part of it dealing with truthfulness.

At the next meeting the chapter on "Personal Ideals" will be taken up. The Circle had as its guests five ladies who are spending the winter in Glendale and have heard of the interesting work which is being undertaken by the organization.

PLACE HYDRANTS

GRAND VIEW AVENUE GETS
MORE PROTECTION; SOON
TO INSTALL OTHERS

Two fire hydrants have recently been placed along Grand View avenue, one at the junction with San Fernando Road and the other at the crossing of Sixth street. Three more are to be placed along this street, one at the Pacific Electric track, one at Kenneth Road and another at Tenth street.

Others will be placed as distributing mains are laid so that eventually the entire district will be supplied so that hose connection can be speedily made no matter where a fire is located.

BUILDING IN EAGLE ROCK

Building permits for the year 1920 in Eagle Rock City total \$629,512. It is announced. Reckoning from the number of water meters, the present population of that city is said to be about 3,050, the census figures of 2,250 being increased by about 800.

M'ADOO AT MEXICO CITY

MEXICO CITY, Feb. 3.—W. G. McAdoo and wife have arrived here at the invitation of President Obregon.

SEES 74TH WEDDING DAY

LANCASTER, Pa., Feb. 3.—Bar Spangler, aged 100 years, president of a bank, yesterday celebrated his seventy-fourth wedding anniversary.

TO REMOVE LAWS

INEFFECTIVE MEASURES TO
BE TAKEN OFF BOOKS;
J. R. WHITE ACTS

John Robert White of Glendale, assemblyman from the sixty-first district, has offered in the state legislature a repeal of a law passed in 1852 providing for appointment of a vaccine agent and for his fees and duties. An effort is to be made at the current session to remove from the books a number of laws that, through changes of time, have become ineffective.

Assemblyman White states that investigation shows that back in 1852 the legislature was flooded out and had to go home in February to stay until March. There were no by-passes provided for the Sacramento floods in those days. When the legislators went home they found that a mild type of smallpox was rather prevalent and that no supply of vaccine was available.

So when they came back without much debate they adopted a law authorizing the appointment of a "respectable physician" as state vaccine agent, directed him to procure and keep on hand a stock of "the vaccine" and provided a system of fees for his compensation.

Times have changed. There is no state vaccine agent and has been none for many years. Hence, the repeal now before the legislature.

AWAITING MESSAGE

GLENDALE RADIO OPERATORS
WILL SEEK TO SECURE
WORDS FROM HARDING

Amateur radio operators throughout the country are anxiously awaiting the Washington's birthday relay message of receiving a thirty word message of President-elect Harding's which is to be delivered to either a city or state official by the person receiving it.

The Glendale High School Radio club, of which Robert Lindsay, Lowry Truitt, Horace McRae, Lewis Barnes, Stanley Deere, Frank Thompson, Hubert Woods, Daniel Campbell, Walter McManus, Glenn Rominger and Malcolm White are members, will take part, listening in at various stations throughout the city. This contest is open to all amateurs. The time set is 8:10 p. m., February 21.

SPECIAL TROPHY TO BURBANK

The Tournament of Roses Association of Pasadena has awarded a special trophy to the city of Burbank for the display made on New Year's day. Accompanying the trophy was a letter saying that "We believe your design was the most unique shown in our parade for several years."

JESSE SMITH IS FATHER

Jesse Smith, of the Ford agency and chairman of the citizens' committee in charge of the Chamber of Commerce drive for members, is receiving congratulations, for he is the father of an eight-pound daughter, who arrived at the Burbank hospital on February 1. Incidentally, that was the day Chairman Smith started the drive for Chamber of Commerce members and, of course, Miss Smith becomes the first on the roll. She has been given the name of Margaret Rita.

DIVISIONS HAVE CLOSE CONTEST

BLUE AND GOLD TEAMS ARE
RIGHT TOGETHER IN BIG
DRIVE FOR MEMBERS

TOTAL IS NOW 241

REPORT IS MADE ON WORK
BEING DONE IN C. OF C.
CAMPAIGN IN CITY

At the luncheon for team workers held in the banquet room of the First Methodist church at noon yesterday, it was announced that the total of active memberships so far obtained in the Chamber of Commerce membership drive was 241. The reserve memberships total sixty-one.

The Gold division, headed by C. D. Lusby and David Gregg, has the honor of being ahead at the end of the second day's work, but the Blue division is right behind, so the race for final victory is a close one.

The standing at the end of the second day showed too, that the team led by A. R. Eastman had taken highest honors by having a total of thirty active memberships.

Standing of Teams
The standing of the teams at the close of the second day follows:

Gold Division	
Majors, C. D. Lusby and David Gregg.	
Captains—	No. Members:
	Active Reserve
J. G. Huntley	25 4

Mrs. H. R. Boyer	1 3
Mrs. Mitchell	9
Total	13 36

Total number of memberships: 241

Active Reserve 61

Dead division, Gold.

Leading captain, A. R. Eastman.

Song Service Is Held

One of the features of the meeting at noon yesterday was the song service. Copies of songs were provided and the workers joined in singing. Then the Blue division sang, followed by the Gold division. Each claimed the honor of singing the loudest. (Continued on Page 4)

MORE MOVES MADE

NUMBER OF CHANGES RESULT
IN RESIDENCE SECTIONS
IN LAST TWO DAYS

And still they move. Here is the list for the last two days:

Geo. Kopp from 1029 S. Brand boulevard to 109 East Los Feliz Road; L. L. McKenzie from 1643 North San Fernando Road to Ocean Park; H. R. Houston from 117 South Kenwood to 103 1/2 South Brand boulevard; T. B. Johnson from 735 East Wilson avenue to Los Angeles; Mrs. Liverman from 419 West Lexington Drive to Stockton; U. H. Gower from 518 Oak to Los Angeles; J. R. Thompson from 315 North Louise to 225 Milford; A. L. Crowthers from 228 North Orange to Los Angeles; D. W. Wagner from 910 East Harvard to Hollywood; G. E. Dame from 627 North Central avenue to 631 Howard; Clifford Clanin from 422 North Jackson to 1029 South Brand boulevard.

NOTED MUSICIAN IS DEAD

ST. LOUIS, Feb. 3.—Professor Max Zach, director of the St. Louis Symphony orchestra and nationally known musician, died here today.

FAIR WEATHER PREDICTED

The weather forecast for tonight and tomorrow is: Fair.

SIX SINN FEINERS ARE REPORTED KILLED PUBLIC INVITED

TO ZONE PROBE

PUBLIC INVESTIGATION WILL
BE HELD TONIGHT BEHALF
PROPOSED ORDINANCE

VITAL IMPORTANCE

GREAT AREA OF CITY WILL BE
AFFECTED BY MEASURE TO
BE PASSED BY BOARD

Public consideration of the report of the zoning committee will be given at the meeting of the Board of City Trustees at the city hall between the hours of 8 and 9 o'clock tonight and the citizens of Glendale are invited to be present.

Radical recommendations are made in the report of the zoning committee and, as the trustees are planning to pass an ordinance containing the ideas advanced, it is of vital importance to property owners, say city officials, that they attend the hearing at the city hall tonight.

A large map of the city, colored to represent the different zones, has been prepared and by means of it explanations can be made of just what the committee has worked out.

Three Zones Suggested
Three zones have been suggested, with eight classes of buildings, as follows:

Residence district, class 1—single family dwelling districts; class 2—dwelling, flat, apartment, tenement, boarding house, lodging, hotel and dormitory districts, to also include uses permitted in class 1.

Business and public use districts, class 3—retail businesses, trades, professions and store districts, also uses permitted in classes 1 and 2; (Continued on Page 3)

MUSTER COMPANY

GLENDALE GUARDS ARE NOW
PART OF STATE; MAJORS
HERE FOR SERVICES

The Glendale company of the California National Guard regiment was mustered into the state service last night at 7 o'clock at the high school gymnasium by Major R. E. Kirk of Los Angeles.

Major R. C. Cotton, a member of the general staff of the army was also present. Major Cotton is to act as inspector-instructor for the regiment, having been sent here by the United States army from the army war college of Washington, D. C.

The Glendale company is designated as the Fifth Separate Company Infantry, and is in a battalion composed of the Glendale, Burbank and two Hollywood companies. Colonel J. C. McKnight is in command of the regiment.

World War Hero Is Present
Major Cotton is a graduate of West Point and is a world war hero, having been decorated by the French government and cited by the United States for conspicuous gallantry in action.

The Glendale company made a fine appearance and was highly complimented by the inspectors.

A suitable hall will be rented just as soon as it can be found. This will be used as offices and club rooms and the drilling will be done at either the High School gymnasium or athletic field.

The officers of the Glendale company are: Thos. D. Watson, captain; Normal C. Hayhurst, first lieutenant, and Charles W. Letts, second lieutenant. Enlistments are still being received by them. The probabilities are that the maximum number will soon be reached as quite a few men are awaiting examinations. Dr. Gerhard Kaemmerling is the examining physician.

Also Known as Writer
Major Cotton's peace-time activities include editorial supervision on the United States Infantry Journal. He collaborated in the authorship of the recognized Military Field Note Book and translated "Les Etudes sur le Combat," by Col. Ardant du Picq, one of the most useful of the French technical works on modern warfare.

Major Cotton is a member of the Army and Navy club of Manila and Washington, the Sons of the American Revolution, the American Legion, Military Service Institute, United States Infantry association and the American Historical association.

With his arrival the major was invited to membership in the Hollywood Country club and will probably become affiliated with other Los Angeles civic activities later.

BILL FOR SICK AND DISABLED SOLDIERS

(Special Service to Glendale Evening News)

WASHINGTON, Feb. 3.—Senator Robinson, Arkansas, today offered an amendment to the sundry civil appropriation bill to provide approximately \$30,000,000 for hospitals for sick and disabled soldiers. The amendment provided that \$15,000,000 become available immediately.

MAY THROW ROADS BACK TO GOVERNMENT

(Special Service to Glendale Evening News)

WASHINGTON, Feb. 3.—Railway owners and workers today were verging on a wage fight which may throw the roads back under government control. Labor heads, including Samuel Gompers, fear a strike if the railroad labor board at Chicago grants the demands of the managers for wage reductions.

DYNAMOS CLUB

CHURCH ORGANIZATION WILL
TAKE COMPLETE CHARGE
ON SUNDAY NIGHT

The Dynamos club will have charge of the entire evening service at the Glendale Presbyterian church Sunday, February 6, at 7:30 o'clock.

This service will mark an event in the church history unsurpassed in that the Dynamos club members of the Presbyterian Sunday school will take full charge of the regular evening program, which has never before been attempted by any one organization of the church.

This club is composed of about sixty active young men of high school and college age. The speaker is a member of the class and the quartet will sing some appropriate selections.

LOCAL MAN TALKS

W. E. EVANS IS CHOSEN FOR
ONE OF SPEAKERS AT
SHORTBRIDGE BANQUET

W. E. Evans of Glendale will be one of the speakers at the banquet to be tendered Samuel M. Shortridge, United States senator-elect, at the City club in Los Angeles at 6:30 o'clock tonight, on the eve of his departure for Washington.

The banquet has been arranged by the Republican County Central committee, with Chairman Alfred L. Bartlett presiding. On the speaking program with Senator-elect Shortridge will be Major Walter F. Lineberger, candidate for congress in the Ninth district, in which district a special election is to be held on February 15 to fill the vacancy caused by the death of Charles F. Van de Water. Another speaker will be Attorney Joseph Scott of Pasadena.

MRS. MARY GRANELL IS DEAD

Mrs. Mary Granelle died at her home at La Canada Wednesday night, at the age of 74 years. She is survived by four daughters, Mrs. Emery Huilquist of Los Angeles, Harriett Granelle of La Canada, Abbie Granelle of La Canada and Mrs. V. E. Verne of Minnesota. Funeral services will be held Saturday afternoon at 2 o'clock, at the parlors of the Jewel City Undertaking company, interment at Forest Lawn.

ATTEND MEETING

Mrs. Mattison B. Jukes of 208 South Brand boulevard and Mrs. C. E. Hutchinson of 246 North Orange street attended the meeting of the Wa Wan club held at the Ambassador hotel in Los Angeles last Friday.

CHAPTER HOSTESS

MRS. LESLIE EAMES OF 633 1/2
NORTH ORANGE ENTERTAINS
AT WAYNE SMITH HOME

Mrs. Leslie Eames of 633 1/2 North Orange street was hostess of Chapter A. H. P. E. O., at its regular meeting held Tuesday at the home of Mrs. Wayne Smith of 519 North Maryland avenue. Twenty-five members were present. Mrs. Lillian Smits was the guest for the day.

At noon cafeteria luncheon was served by Mrs. Eames. She also gave a talk in the afternoon on "Composers," playing several selections on the phonograph to bring out various points. A guessing contest on the same subject was very much enjoyed.

Chapter A. H. has chosen a bedroom at the Monte Vista home, which they will furnish.

VETERAN INJURED

NOAH W. HAMMON FALLS AND
SNAPS BOTH BONES IN
HIS RIGHT WRIST

Noah W. Hammon, a well-known veteran of the Civil War living at 361 West Colorado, met with a very painful accident Tuesday morning. He was helping Mrs. Hammon carry out a tubful of water to empty when one of the little Frei twins got in his way and caused him to trip and fall with his right wrist under him, snapping both bones. He will be laid up for some time.

LARGE PARTY FOR CHILDREN

Mrs. Nanno Woods and her daughters, Dorothy and Kathleen, entertained about 150 children and mothers at an afternoon party on Wednesday, at Hutt's hall, 610 East Broadway. The little guests heartily entered into the joy of English and Danish folk dances, and into a fancy dance representing April Showers, specially composed by the hostesses for the occasion. Various piano solos and recitations were given in between the many games; and the Misses Dorothy and Kathleen Woods delighted their audience with a performance of a brilliant Russian Dance in rich Russian costume.

N. L. TOWNSEND FUNERAL

The funeral of Noah L. Townsend of 114 East Palmer, who dropped dead January 31 while working as a painter in A. M. Salyer's new residence at 1253 Walnut, is being held this afternoon in the Little Church of the Flowers. Interment will be in Forest Lawn. He was 67 years of age and is survived by his wife. The L. G. Scovern company is in charge of the services.

PERSONALS

Mrs. Claude Berger of 403 East Lomita avenue visited relatives in Pasadena yesterday.

Mrs. L. W. Sinclair of 1226 East Lexington Drive was hostess to the Thimble club yesterday.

Mr. and Mrs. A. H. Montgomery and son of 415 South Central avenue will spend the week-end at San Diego.

John Wardell, son of L. C. Wardell of 301 North Cedar street, has returned to school after a siege of the measles.

Mrs. A. D. Hurd of 110 South Adams street has returned from San Francisco where she has been visiting her son at the Presidio.

Mrs. C. E. Hutchinson of 246 North Orange street, attended the Reciprocity day of the Badger club at the Ebell clubhouse yesterday.

Mrs. Oscar Stees of 240 South Glendale avenue was the guest of relatives in Pasadena yesterday. A luncheon was enjoyed and also a social afternoon.

Mr. and Mrs. A. H. Donecken of 205 East Los Feliz Road had as their guests yesterday Mr. and Mrs. White of Omaha, Nebraska, who are spending the winter in California.

Mrs. Earl Naudain, P. H. Vesper and wife, W. W. Worley and wife, and B. F. Bourne and wife go to Highland Park tonight to attend a big dinner given the grand officers of the Eastern Star.

Mr. and Mrs. J. W. Walton of 377 Milford street have as their guests Mrs. J. B. Walton and daughter, Mary Elizabeth of Butler, Missouri, who arrived in Glendale yesterday afternoon. They will remain for the winter.

Mr. and Mrs. T. J. Keleher of 528 North Louise street leave tomorrow night for San Francisco on a combined business and pleasure trip. While in San Francisco Mr. Keleher will attend a convention of insurance men.

Mr. and Mrs. R. A. Puffer of 452 West Vine street entertained at dinner last night Mr. and Mrs. O. G. Reinhart and Mr. and Mrs. F. G. Christian, all of Detroit, Michigan, who are staying at Hotel Alexandria for the winter.

Miss Katherine Christian of Havre, Montana, who came to Glendale from South Dakota recently for a visit with her uncle, Elder J. W. Christian, has decided to remain here and take up nursing, as she is a regular trained nurse.

New houses approaching completion are those of Mrs. E. Spangenberg, 1363 East Colorado; D. O. Taylor, Camulos avenue; F. B. Mattice, 233 South Jackson; Mrs. E. Metz, 318 Hawthorne; Mrs. R. C. McUmber, 376 Patterson avenue.

C. E. Babcock of 725 South Maryland avenue was the victim of petty thieves who Tuesday night stole many choice plants and ferns which he had planted around the new house at the corner of Maryland avenue and Windsor Road, which has just been completed.

Mr. and Mrs. M. M. Eshelman of 1247 South Maryland avenue had as their guests Tuesday night Thomas Williams and daughter, Mrs. Pearl Brown, of Sunnyside, Washington; Mr. and Mrs. Hornish of Ohio; Mr. and Mrs. Garber of Glendale and Mr. and Mrs. Fawkes of Burbank.

Wm. Hemenway, of the realty firm of Doner, Hemenway & Burn, and wife, 354 West California avenue, have as their guests, Mr. and Mrs. W. H. Dool of Redwood, California. Mr. Dool is warden of Redwood park and is meeting a number of friends here who visited the park during the summer.

Four more residences have been started since yesterday's report, as shown by permits issued, as follows: Wm. G. Blodgett, 6 rooms, 820 Hilda avenue, \$2,000; Cary and Russell, 3 rooms, 631 North Jackson, \$1,600; John McKay, 4 rooms, 119 East Chestnut, \$1,100; C. E. Diehl, 4 rooms, 1026 Virginia Place, \$2,000.

Mark Keppel, county superintendent of schools, states that tax collections turned into the county treasury will result in the redemption of \$700,000 in registered school warrants. The warrants were issued in lieu of salary checks since July 1st, when the county was short of funds, and have been bearing 6 per cent interest. They were issued mostly to school teachers.

With as large a crowd as could comfortably be taken care of in attendance, the dance given last evening by the Knights of Columbus in the I. O. O. F. hall proved to be one of the most enjoyable of the season. Arrangements were in charge of Jack Thomas of the White Inn. Music was furnished by a three-piece orchestra. Refreshments were served at 11 o'clock.

George Schaffer is building on the rear of the lot at 413-415 East Broadway, a 3-room residence and a garage, combined. It is the plan to build, later, on the front, a business house, 50x70, to replace the old building that has stood there so long, and which B. F. Bourne is occupying as a real estate office. Mr. Bourne will occupy the new building when it is completed, he says.

VISITING IN GLENDALE

Mrs. S. A. Trowbridge of 437 Burchett street has as her guests her daughter-in-law, Mrs. Robert Trowbridge, and children, of Bishop, California, and her sister, Mrs. E. F. Jones of Berkeley.

WOMAN, 79, NOW CLERGYMAN

PETERBORO, N. H.—Seventy-nine years old, a widow with grown children and just ordained as a clergyman in the Methodist church and placed in charge of the Peterboro church, where she preaches every Sunday.

That is the record of Mrs. Elizabeth S. Barker, the oldest woman ever ordained in the Methodist or any other church.

Years ago her husband, a veteran of the Civil war, died, leaving "Mother Barker," as she was known, with two young children to feed, clothe and educate.

For years she devoted herself to that task, working in a shoe shop to get the necessary money and at night studying theology and her Bible.

She early developed a regular routine which had for its base her adage, "Never waste a minute."

If she had bread to bake she would study while it was in the oven.

"Every moment is precious," is another of her mottoes. Never in all the years of her busy life has she sat down with folded hands, content to do nothing.

Her cakes are famous among the housekeepers of Peterboro—almost as famous as her sermons.

Her 79 years have left her vigorous, and twice each Sunday she preaches to the crowded seats of her little church.

BOLD BURGLARY

MRS. M. MORTENSON RESIDENCE
IS ENTERED IN DAYTIME
AND GOLD WATCH TAKEN

There was a bold daylight burglary yesterday at about 1 o'clock. Mrs. M. Mortenson of 914 South Glendale avenue was away from home, but had locked back and front doors, leaving the keys on the inside of the back doors. A lady living over on Garfield avenue saw a man go to the Mortensons' front door and knock. After waiting a short time he went around to the back. This lady thought to watch further but just then the children demanded their dinner and she forgot all about the man.

Later she learned that the Mortenson home had been ransacked all over, evidently for money, but the only thing of value missed was a gold wrist watch. It was found that the miscreant had gone into the screen porch and then at his leisure had dislodged the key in one of the doors, gone through the house and then departed very boldly by way of the front door.

Police Issue Warning
In commenting on this burglary the police department emphasized the duty of householders to telephone promptly to headquarters any suspicious circumstances observed at neighbors' houses. In this case had the lady notified the police of seeing the man at Mortenson's front door, he could have been caught and punished.

Chief Lampert says he always has some one he can send promptly to investigate such cases and he would rather send unsuccessfully a dozen times than to miss securing one guilty man. Thorough co-operation of citizens with the police department will help in stemming crimes, says the chief.

SPENDING MONEY

TAX EXPERT OF STATE BOARD
OF CONTROL TELLS ABOUT
FINANCIAL PROBLEMS

SACRAMENTO—Economy measures can not solve California's financial problems was the statement of Clyde L. Seavey, tax expert of the state board of control.

And Seavey produced the report of the budget board in an effort to prove his contentions.

According to the budget board's estimate, California's state government will spend \$81,387,692.15 in the next two years. The revenue under existing laws and the present available surplus is estimated at \$66,939,200.

This leaves a deficit of \$14,448,492.95. The state administration proposed to raise this money by increasing the tax on public utility corporations, but the state assembly defeated the plan.

State officials quote these figures to uphold their contention that either this increased corporation tax must be voted when the legislature ends, or some other tax plan devised. The state administration is opposed to an ad valorem tax.

Say People Caused It
The deficiency was created largely by the people themselves when they voted increased highway bond interest and increased aid to schools.

Seavey produces the budget to show that the financial problems of the state can not be solved by any scheme of reorganizing the state government.

The state government cost during the last two years approximately \$4,300,000. This includes the salaries of all state officials, excepting those connected with state institutions. It includes the expenses of all state boards and commissions and of all state offices.

The budget board lists \$44,909,749.15 of the \$81,387,692.15 as fixed charges. This includes bond interest and sinking funds which take up millions. This fund falls into the following general classifications:

Classifications Made
Construction, including highway bonds, sinking fund and interest, building bonds, sinking fund and interest and Sutter basin assessment, \$6,172,000.

Education, including \$3,639,449.15 for University of California, \$30,401,980 for public schools.

Co-operation with the United States government surveys and water investigation, \$60,000.

California Redwood park, \$15,000. Support of orphans, \$2,838,000.

Miscellaneous, \$1,782,879.

These fixed charges are created by constitutional amendment or previous legislative enactment.

Typical of other charges are: Legislature, \$385,425.

Judicial, \$1,210,145.

Executive, including pay of governor and upkeep of his office, \$102,000.

Administrative, including cost of state board of control, controller, treasurer and other state offices, \$1,940,275.

Regulative, \$3,624,766.

Defensive, \$753,430.

Gives Solution: More Money
"The budget for the next biennium can not be reduced materially unless we arbitrarily cut out care for orphans, lower the standard of our schools or adopt some such drastic measure," said Seavey. "The overhead cost of the state government, which amounts to about \$2,150,000 a year and includes all the state of-

PUBLIC INVITED

PUBLIC HEARING TONIGHT AT
CITY HALL IN REGARD TO
PROPOSED ORDINANCE

(Continued from Page One)
class 4—retail businesses and public garages, oil supply stations, dyeing and dry cleaning, food business concerns, also including uses permitted in sections 1, 2, 3 and 5; class 5—churches, schools, playgrounds, parks, public and semi-public buildings, private recreation, amusement and baseball parks, greenhouses and nurseries, also including dwellings of classes 1 and 2; class 6—hospitals, sanitariums, philanthropic and charitable institutions, also dwellings of classes 1 and 2; class 7—motion picture production district.

Industrial districts, class 8—laundries (not noxious) factories, warehouses, industrial buildings, including any business use.

Affecting Present Area
Eliminating that portion of the city above the 900-foot contour, the proposed zoning ordinance would affect the present area of the city as follows:

There would be four acres set apart for sanitariums in two plots; there would be 114 acres in the southeastern section of the city set apart for motion picture production establishments; there would be 67 acres set apart as an apartment house district. The commercial district would include 379 acres extending in the main along Broadway from Verdugo Road to Central avenue, along Brand boulevard from California avenue south and along San Fernando Road. The industrial district would include 126 acres. The balance of the city below the 900-ft. contour would be reserved strictly for one-family residences. This district would include 4112 acres and within this 4000 acres no new business or industrial establishments may be established or operated.

Ordinance To Be Drafted
As the city will draft an ordinance along lines suggested by the zoning committee, city officials say that it is important that any property owners wishing to protest or to gain a more complete understanding of the measure, should attend tonight's meeting between the hours of 8 and 9 o'clock at the city hall.

Gordon Whitnall, secretary consultant of the Los Angeles city planning commission, aided the local commission in drafting the report.

SCHOLARS TAKE HIGH RANK

CONCORD, N. H.—The facts concerning American Rhodes scholars, their preparation, records and careers are contained in an article prepared by Professor R. W. Burgess of Brown university, in the American Oxiunion, just published.

More than 500 Rhodes scholars have been appointed from the beginning down to the present, of whom 360 are now living in the United States, 130 are at Oxford, and nineteen are living in other countries. The Rhodes scholars represent 172 American colleges and universities; thirty-nine institutions have sent as many as five or more, while seven have been represented by ten or more Rhodes scholars. Of this last group Harvard and Princeton lead with eighteen each, Yale has thirteen, Brown eleven, the Universities of Idaho and Virginia ten each.

The average age of the Rhodes scholars at the time they enter Oxford is twenty-two years and four months. Most of them have taken at least the A. B. degree in an American university; only 14 per cent have had less than a full college course, while 19 per cent have had one or more years of graduate or professional study. Forty per cent have represented their colleges in one or more branches of college athletics.

A comparison of the records of the men who take the Honor Schools with the entire body of English Honors taking the same examination shows that the Americans take more firsts than the English Honors men, and in Firsts and Seconds together their lead is still greater.

PLUM AND PRUNE COURSE

The University of California announces a correspondence course in the growing of plums and prunes. The need for the course was felt following the recognition of the fact that better methods of pruning and marketing of these two crops are demanded because of the inroads of foreign fruits.

The department of agriculture believes it has solved the problem of extracting phosphoric acid from phosphate rock by heating mixtures of this rock, sand and coke to a smelting temperature. The discovery may revolutionize the fertilizer industry of the world.

ices and boards and commissions, cannot be reduced sufficiently to meet the deficit which the state faces. "The only solution of the problem is to raise more money. And the only way to raise more money fairly, justly is to increase the tax on corporations to the same level which the property owner now pays to his county and city governments."

WAR TOLL IN RUSSIA

COPENHAGEN—If the revolution mortality continues a few years longer there will be no cities in Russia. Census returns from 20 provinces, as published in the Red Gazette, show a dwindling from 30,000,000 in 1917, to 27,000,000.

In one year Petrograd lost two-thirds of its population. In 1919 2,500,000 lived there. Now there are 705,000.

The birth rate decreased.

SOAKS RING FOR FEE

NEW YORK—Isidore Ozer left his pocketbook at home when he went to the marriage license bureau with his bride, so he had to go out and hock the wedding ring to pay the \$2 license fee.

Ladies' shoes made of snake skin are now on the New York market.

Mr. Property Owner

AS A PROTECTION AND INVESTMENT
Have your old, sundried, inflammable felt roof water-proofed with asphalt and surfaced with a fire proofing of red crushed brick or green granite, adding years of service to your roof, improving the appearance of your house and increasing the selling value of your property. Advice based on twenty years' roofing experience cheerfully given. Built-up work and repairing a specialty. For prices and particulars inquire of

C. OF C. MEMBERS

LIST OF THOSE WHO SIGNED UP IN DRIVE YESTERDAY IS GIVEN IN FULL

(Continued from Page 1)
while the Women's division was accorded the honor of singing the sweetest.
J. O. Stevenson, directing the membership drive, gave a brief talk on Chamber of Commerce work and also answered a number of questions. He referred to his contract published in The Evening News and said that it showed just what he was to be paid. It was predicted that today would be a very successful one in the campaign. The rivalry between the two divisions is very keen, judging from expressions at the meetings, and today's reports are being awaited with much interest.

Members Secured Yesterday
The list of members secured for the Chamber of Commerce yesterday follows:

Dr. Frank N. Arnold, 103 1/2 S. Brand.
Anthony Ambrosini, 146-A S. Jackson.
W. T. Ashton, 618 E. Broadway.
Autoelectric Service Co., 113 W. Harvard.
Dr. C. W. Bachmann, 831 E. Windward Road.
K. M. Barton, 212 W. Broadway.
George H. Bentley, 460 W. Los Feliz Road.
O. H. Belew, 110 E. Broadway.
H. R. Bowers, 311 W. Harvard.
C. S. Brenkman, 1510 S. San Fernando Road.
Broadway Seed Store, 626 E. Broadway.
Burton & Chandler, 133 S. Brand.
J. J. Burke, 1211 S. San Fernando.
H. M. Calkins, 139 S. Brand.
Arthur Campbell, 110 E. Broadway.
George E. Clayton, 200 S. Orange.
Fanset Dye Works, 110 E. Broadway.
Peter Ferry, 614 E. Acacia.
T. Funatsu, 1417 S. San Fernando.
H. S. Garlinghouse, 827 E. Colorado.
Glendale Creamery Co., 755 W. Doran.
Glendale Feed & Fuel, 106 S. Glendale.
Glendale Laundry, Arden and Columbus.
Cyrus Goodyer, 131 S. Central.

Hayward of 307 North Kenwood, while canvassing for Chamber of Commerce membership this morning, lost a valuable keepsake, a cameo pin, brown background, white head, gold setting, on West Wilson, West Broadway, Ivy or Hawthorne. She will pay a reward for its return. Her phone number is Glendale 1948.

CLAIMS GREATER NAVY NEEDED

WASHINGTON, D. C., Feb. 3.—The United States must continue the building of battleships until it has a navy "equal to the strongest," the general board of the navy declared today in a special report to Secretary Daniels. The board stated it would be the height of unwisdom for this country to pin its faith on aircraft or submarines.

SAYS JAP AGREEMENT UNFAIR

SACRAMENTO, Cal., Feb. 3.—Roland Morris, United States ambassador to Japan, and Baron Shidehara have negotiated a tentative agreement between the two countries which would scrap the California land law, according to a telegram received here today by V. S. McClatchy, of the Japanese exclusion league, from Senator Hiram Johnson.

The proposed agreement is advantageous to Japan and unfair to the United States, Johnson declared.

U. S. TO FIGHT ANY DELAY

WASHINGTON, D. C., Feb. 3.—Disposal of the stock yards owned by the Chicago packers will be insisted upon without further delay when the case comes up for hearing February 8 in the district court here, Assistant District Attorney Galloway declared today.

"The justice department will fight any delay sought by the packers," said Galloway. "The case now has been in the courts one year without settlement."

EVEN TO OLIVE PITS

A government report, just issued, gives in cold, statistical form, a most convincing argument for real and thorough investigation into the tariff situation and for subsequent action that will be effective in protecting American agricultural producers from serious foreign competition. The report has to do with the figures for exports to America from the single port of Naples, Italy, for the first six months of 1920. Reading it, one can imagine the colossal proportions of the figures for business directly competitive with America's own for the whole of the Mediterranean region in the same period. Naples sent us \$510,190 worth of almonds, \$936,960 worth of cherries, \$12,732 worth of figs, \$30,730 worth of lemons, \$15,973 worth of oranges, \$92,974 worth of onions, \$49,695 worth of lemon extract, \$5,735 worth of walnuts, \$24,168 worth of peppers and \$478,765 worth of sulphur oil made from olive pits in those six months.

AGED MEN KILL EACH OTHER

LUBBOCK, Tex., Feb. 3.—James B. Bowles, 60, wealthy land owner, and James Wright, 62, prominent in civic affairs here, shot each other to death in a duel in a small country store at Shallow Waters, fifteen miles west of here, during a school board meeting today, according to word received here.

Mrs. I. M. Randolph, 416 N. Jackson.

E. W. Randall, 139 W. 39th St., Los Angeles.

Florence E. Parker, 212 N. Orange.

Mrs. L. W. Sinclair, 1226 East Lexington Drive.

Mrs. H. H. Spaulding, 335 Salem.

A. E. Sanders, 216 E. Windsor.

H. F. Showalter, 601 E. Broadway.

S. V. Thompson, 646 W. Broadway.

Mrs. N. H. Van Wormer, 516 N. Kenwood.

Mrs. A. M. Williams, 208 S. Orange.

Mrs. A. S. Pollock, 419 W. Park.

Mrs. A. G. Waldelich, 634 N. Kenwood.

H. S. West, 121 W. Park.

Mrs. B. B. Willett, 310 W. Lexington Drive.

Mrs. E. D. Yard, 646 N. Jackson.

STATISTICAL FACTS

MATTERS OF INTEREST WHICH ARE BASIS FOR QUESTIONS MANY TIMES DAILY

Believing that the many new residents of Glendale are vitally interested in the statistical facts concerning the city of their adoption, The Evening News presents below a few concrete items of this kind. These all pertain to matters concerning which many inquiries are made by newcomers:

Population, 1910 2,742
Population, 1920 13,356
Population, 1921 15,657
Per cent of increase 393
Area in square miles 11.7
Miles of paved streets 60
Miles of unpaved streets 30
Assessed Valuation of Property

Last fiscal year \$5,504,481
Present fiscal year 9,384,525
Increase 3,880,054

TO BE DELIVERED IN THE CHURCH EDIFICE
MARYLAND AND CALIFORNIA AVENUES

Friday Evening, February 4th, 1921

EIGHT O'CLOCK

The Randall Rally

An enthusiastic meeting was held last evening in the high school auditorium. There were three able addresses as follows: Virgil G. Hinshaw, national chairman of the prohibition party. Our well known townsman, Mattison B. Jones, Dr. Clarence True Wilson, secretary of the Methodist board of temperance with headquarters at Washington, D. C. Dr. Wilson is an able and convincing speaker. Also an experienced campaigner. He addressed thirty-three Methodist conferences in the last election in the interest of Harding, believing him to be the most favorable to prohibition. For the same reason he is now in the campaign for Randall's re-election. He spoke very highly of Randall's accomplishments in congress where he is the recognized champion of reform measures. Out of thirty-three important ones enacted by congress I am here to say that without Charles H. Randall's help they would never have become laws. And if you want to send dismay into the ranks of the defiant liquor crowd and strengthen the eighteenth amendment, return Randall to congress.

Dr. Wilson, during his talk, said that on coming to California he had read with great surprise the attacks on Randall's six years' record in congress. He said that five years of that time he had been within a block of the national capitol and personally knew that Randall had to do with the passage of the measures. The speaker declared that Randall, single-handed, took up the war prohibition bill when others were afraid to touch it because of the attitude of the president.

In closing his talk Dr. Wilson said: "The work that we have seen him do in Washington was so much appreciated by the general conference of the Methodist church held in Des Moines in May, that they unanimously elected him to be one of the directors of the board of public morals with headquarters at Washington and upon the assembly of these directors they, by unanimous vote, selected Charles H. Randall to be their vice president, Bishop McDowell being the president, and the different organizations that stand for the reform program, anti-saloon league, W. C. T. U., international reform and board of temperance, prohibition and public morals of the Methodist church are a unit in asking me to come out to California and tell the good people of Randall's district that in our estimation he is the most essential factor we have in Washington for carrying out our future public morals program. He has put through five times as many reform measures as any man in either house of congress, and there is no man whom the liquor interests, now trying to come back, would rather see overwhelmingly defeated or that the temperance and reform forces would rather see overwhelmingly elected."

"I say to the voters of Randall's district and to my friends with whom I used to be associated in this district, that we owe more to him than to any other one man who ever represented this or any other state in the congress of the United States."

W. F. TOWER.

NOTICE OF MEETING OF THE STOCKHOLDERS OF THE McLAUGHLIN GLASS COMPANY, CALLED BY THE BOARD OF DIRECTORS.
Notice is hereby given that under, and in pursuance of a resolution adopted on the 15th day of January, 1921, by the Board of Directors of the McLaughlin Glass Company, a Corporation, a meeting of the Stockholders of said Corporation was called, and will be held on Thursday, the 24th day of March, 1921, at two (2) o'clock p. m. at the office of the company, 52nd and Alameda Streets in the town of Vernon, Los Angeles County, California.

The object and purpose of said meeting is to consider, and act upon the proposition of increasing the Capital Stock of the McLaughlin Glass Company, Twenty Thousand Dollars, (\$20,000.00) above its present capitalization of Fifteen Thousand Dollars, (\$15,000.00), a total capital of Thirty-five thousand Dollars, (\$35,000.00), represented by Three Hundred and Fifty (350) shares of the par value of One Hundred Dollars (\$100.00) each. Published by order of the Board of Directors.

ORDINANCE NO. 420

AN ORDINANCE DECLARING THE INTENTION OF THE BOARD OF TRUSTEES OF THE CITY OF GLENDAL E TO ORDER THE OPENING, WIDENING, AND LAYING OUT OF STANLEY AVENUE IN SAID CITY.

THE BOARD OF TRUSTEES OF THE CITY OF GLENDAL E DO ORDAIN AS FOLLOWS:

SECTION 1. That the public interest and convenience require and is the intention of the Board of Trustees of the City of Glendale to order the following improvement to be made, to-wit:

That Stanley Avenue be opened, widened and laid out from the westerly line of Lot 82 of the Watts subdivision as per map recorded in Book 5, Page 201, Miscellaneous Records of Los Angeles County, California, to the westerly line of Verdugo Road.

SECTION 2. That the land necessary and convenient to be taken for the improvement described in Section 1 hereof is situated in the City of Glendale, County of Los Angeles, State of California, and is more particularly described as follows, to-wit:

First: A strip of land of the uniform width of fifty (50) feet, lying twenty-five (25) feet either side of, parallel and contiguous to the following described center line, to-wit:

Beginning at a point in the westerly line of Lot 82 of Watts Subdivision as per maps recorded in Book 5, Page 201, Miscellaneous Records of Los Angeles County, California, twenty-five (25) feet northerly from the northeasterly corner of Lot 7 of the G. B. Edwards Tract as per maps recorded in Book 12, Page 159, Maps, Records of Los Angeles County, California; thence easterly in a direct line to the northeasterly corner of the C. E. Russell Tract as per map recorded in Book 10, Page 64 of Maps, Records of aforesaid county; thence easterly along the northerly line of said C. E. Russell Tract and the northerly line of Tract No. 3946 as per map recorded in Book 39, Page 63 of Maps, Records of aforesaid County, and the prolongation of said northerly line to its intersection with the center line of Verdugo Road.

Excepting from the above described parcels of land, any portion of any public streets or alleys, which may be included therein.

SECTION 3. That the boundaries of the district in the City of Glendale to be benefited by said improvement and to be assessed to pay the expenses thereof and to be known as assessment district are hereby fixed as follows:

All that portion of the City of Glendale included within the following described exterior boundary lines to-wit:

Beginning at the northeasterly corner of Lot 9, Tract 3403, as per map recorded in Book 42, Page 50, Maps, Records of Los Angeles County, California; thence westerly along the northerly line of said Lot 9 to the northwesterly corner thereof; thence northwesterly to the northwesterly corner of Lot 12 of said Tract 3403; thence westerly along the northerly lines of Lots 12, 13, 14, 15, 16, 17, of said Tract 3403 to the northwesterly corner of said Lot 17; thence westerly across a portion of Lot 82 of Watts Subdivision as per map recorded in Book 5, Page 201, Miscellaneous Records of Los Angeles County, California to the northeasterly corner of Lot 8 of the G. B. Edwards Tract as per map recorded in Book 12, Page 159, Maps, Records of aforesaid County; thence westerly along the northerly lines of Lots 8, 9, 10, 12, 13, 14, to the northwesterly corner of said Lot 14; thence westerly in a direct line across Block 28 of the Town of Glendale as per map recorded in Book 21, Pages 89 and 90, Miscellaneous Records of aforesaid County to the northwesterly corner of Lot 7 of the Pitcher Tract, as per map recorded in Book 16, Page 132 of Maps, Records of aforesaid County; thence westerly along the northerly lines of Lots 7, 8, and 9, to the northwesterly corner of said Lot 9; thence southerly along the westerly line of said Lot 9 to the northeasterly corner of Lot 10 of said Pitcher Tract; thence westerly along the northerly line of Lot 10 to the northwesterly corner thereof; thence southerly along the westerly lines of Lots 10 and 11 of said Pitcher Tract to the southwesterly corner of said Lot 11; thence southerly in a direct line across Stanley Avenue to the northwesterly corner of Lot 7 of the Wannamacher Tract, as per map recorded in Book 12, Page 114, Maps, Records of aforesaid County; thence southerly along the westerly line of said Lot 7 to the southwesterly corner thereof; thence easterly along the southerly lines of Lots 7, 8, 9, 10, 11, and 12, of said Wannamacher Tract to the southeasterly corner of said Lot 12; thence easterly across Block 28 of aforesaid Town of Glendale to the northwesterly corner of Lot 5, Tract No. 3062 as per map recorded in Book 29, Page 42, Maps, Records of aforesaid County; thence easterly along the northerly line of said Lot 5, to the northwesterly corner thereof; thence northerly along the westerly line of Lot 4 of said Tract No. 3062 to the northwesterly corner of said Lot 4; thence easterly along the northerly line of said Lot 4 to the westerly line of the G. B. Edwards Tract as per map recorded in Book 12, Page 159, Maps, Records of aforesaid County; thence southerly along said westerly line to the southwesterly corner of Lot 1 of said G. B. Edwards Tract; thence easterly along the southerly lines of Lots 1, 2, 4, 5, 6, and 7, of said G. B. Edwards Tract to the southwesterly corner of said Lot 7; thence easterly across a portion of Lot 82 of Watts Subdivision, as per map recorded in Book 5, Page 201, Miscellaneous Records of aforesaid County to a point in the westerly line of the C. E. Russell Tract as per map recorded in Book 10, Page 64, Maps, Records of aforesaid County, one hundred and sixty-two and seventy-eight hundredths (162.78) feet southerly from the northwesterly corner of said C. E. Russell Tract; thence easterly across said C. E. Russell Tract to the southwesterly corner of Lot 3, Tract 3946 as per map recorded in Book 39, Page 63, Maps, Records of aforesaid County; thence easterly along the southerly line of said Lot 3 to the westerly line of Verdugo Road; thence northerly along said westerly

TELLS OF NEEDS

PRESIDENT STEPHENSON OF BOARD OF TRUSTEES HAS STATEMENT TO MAKE

(Continued from Page 1)

eration by the city is \$241,486.44, of which \$36,500 has been used to retire bonds; the balance has been re-invested in the properties.

"The total revenues of the water and light business for the six months prior to January 1 last was \$145,327.58. The total operating expenses during that period was \$94,930.98. The profits or excess revenues over expense was \$50,396.60. This together with \$12,301.34 earned as a reserve for depreciation made a total of \$62,697.94 available during that period for retirement of bonds and reinvestment in extensions and betterments to the water and light systems. Realizing that most of us have very little opportunity to become acquainted with these matters I mention these figures so that you might realize the value and extent of these very important properties that serve you so acceptably every day.

Total Number of Services

"The total number of services in the water business is 4688, and in the light business 5392. The investment per consumer in the water business is \$94.57 and in the light business is \$41.31. From this it will readily be seen that it requires much larger investment to carry on the water business than it does that of the electric business. For that reason it is not possible to obtain sufficient funds from revenues of the water business to provide for extensions and betterments to the system to keep up with the needs of Glendale in its present rapid growth and from time to time it becomes necessary to ask the voters of the city to authorize the issuance of bonds for these purposes.

"The Board of Trustees in September, 1919, issued a pamphlet setting forth the need of additions to the water system that were estimated to cost at that time \$260,000. This pamphlet was prepared with great care and had for its object the setting before the people of Glendale in detail these needs so that at the election that was called for the 12th day of November, 1919, the people would be advised and could vote intelligently. These pamphlets were distributed throughout the city and of course you are all more or less familiar with the matters set forth therein. The people responded as the people of Glendale always do when they understand the need for improvements of any kind and authorized the issuing of these bonds.

Purpose of Bond Issue

"This bond issue was intended to provide funds for the installation of another large pumping unit, one large reservoir of 7,500,000 gallons capacity, situated at the 720-foot elevation in the mouth of Verdugo canyon; another smaller reservoir at the same elevation in the Grand View district and to complete the trunk line that would connect these two reservoirs with the main pumping plant which with the added unit would produce 666 miners' inches of water, almost doubling the city's water supply. It was also intended to furnish funds for putting down wells and develop works in Verdugo canyon and for a large pressure main connecting these works with the large reservoir.

"Directly after the voting of these bonds, as you all know, it became quite impossible to sell bonds that draw 5 per cent interest as these did. On the other hand prices advanced very rapidly. These two facts made it quite difficult for the city to carry out the plans as proposed. Nevertheless the city has succeeded up to this

line to point of beginning; excepting therefrom any portion of any public street or alley which may be included in the above described district.

SECTION 4. That the proceedings for the aforesaid improvement shall be taken under the "Street Opening Act of 1903," and the Street Superintendent of the City of Glendale shall post and publish notices of said improvement in the manner and for the time required by said act; and the Glendale Evening News, a daily newspaper of general circulation, published and circulated in said City of Glendale, is hereby designated as the newspaper in which said notice shall be published.

SECTION 5. The City Clerk shall certify to the passage of this ordinance and shall cause the same to be published once in the Glendale Evening News, and thereupon and thereafter it shall take effect and be in full force.

Adopted and approved this 27th day of January, 1921.

DWIGHT W. STEPHENSON,
President of the Board of Trustees of the City of Glendale.

(SEAL)
Attest:
J. C. SHERER,
City Clerk of the City of Glendale.

STATE OF CALIFORNIA,
COUNTY OF LOS ANGELES)
CITY OF GLENDAL E)
I, J. C. SHERER, City Clerk of the City of Glendale, do hereby certify that the foregoing Ordinance was duly adopted by the Board of Trustees of the City of Glendale, State of California, and signed by the President of said Board at a regular meeting thereof held on the 27th day of January, 1921, and that the same was passed by the following vote, to-wit:

Ayes: Bartlett, Henry, Lapham, Robinson, Stephenson.
Noes: None.
Absent: None.

J. C. SHERER,
City Clerk of the City of Glendale.

time in providing for the larger portion of this improvement and contracts have been let for the pumping unit, for the two reservoirs and the trunk line connecting the same. These should be completed within the next few months and will then insure an adequate supply of water for the present and immediate future needs of the city.

"It is the intention of the Board of Trustees at an early date to issue a statement as originally planned and to set forth in the pamphlet the price at which the improvements installed were contracted for and a statement of that portion of the improvement that could not be installed on account of the lack of funds.

Water Supply Made Sure

"The point I want to impress on you at this time, however, is that the city has practically completed improvements to the water system that will in the main give the people of Glendale what they expected to get when they voted the \$260,000 bonds, namely, the water supply has been made sure. The great pump that has supplied us water for the last several years has been duplicated and the supply doubled and the people of Glendale need no longer fear a shortage in their water supply after the few months necessary to complete these improvements for which contracts have been let.

"I desire to speak briefly in regard to the bond election that will be held on the date of the charter election, March 29, 1921. The city is again calling for bonds for the purpose of investment in the water system. The improvements to the water system just mentioned were practically all for the purpose of increasing the water supply. Only a small portion of this investment was intended for additions to the distributing system and the increased cost of the main items will not make it possible to devote any large amount of this issue to distribution mains. Therefore the board is asking the voters of the city to authorize the issuance of \$100,000 for the purpose of supplying distribution mains so that the water may be carried from this trunk line that crosses the city and connects the pumping plants and reservoirs to the various sections of the city under good pressure. A large main is needed on portions of North Louise street. Another is needed both north and south of the main trunk line on Pacific avenue. A main is needed on West Broadway. One is needed that will extend south in the vicinity of Concord street to Broadway to supply that rapidly developing section of the city. Several mains are needed in the southeastern section of the city.

Other Mains Are Required

"Provision has been made out of the \$260,000 bond issue for the main on Mariposa and a portion of Acacia avenues but other mains are needed in that section in order to insure adequate supply. It is intended that this \$100,000 shall be used solely for distribution mains of six inches and larger capacity. The interest and redemption on these bonds will be met from the revenues of the water department.

"I need not speak at length in regard to the \$26,000 asked for warehouse, garage, material yards, etc., when we realize the fact that the city of Glendale has nearly twenty motor cars, carries from \$16,000 to \$25,000 of material and supplies on hand besides all of the tools and vehicles and other apparatus necessary to operate the various departments.

"I need not go into detail as to the gymnasium and recreation center for which \$83,000 is asked. This is a community matter, one in which I trust all those present tonight are vitally interested.

For Parks and Playgrounds

"I especially desire to speak, however, of the \$66,000 for parks. Glendale, the city of homes, must have parks and playgrounds to keep pace with the modern cities of southern California. The plan is that there shall be three parks: \$22,000 to be devoted to the purchase and improvement of each. One will be in the southern section of the city, one in the central eastern section and one in the northwest. This is a matter that should appeal to all.

"I need not speak at length in regard to the freeholders charter. You now have before you the charter prepared by the board of freeholders elected. While we all may not agree with every one of its provisions, yet in the main it may be considered as on a par with modern freeholders charters and if adopted will give the city a larger jurisdiction over its own affairs and will give it an independent standing and individuality that it cannot have as a city of the sixth class.

"One of the most important things before the people of Glendale is sewage disposal. This matter was taken up by the Board of Trustees about eighteen months ago and considerable discussion and investigation has been made during that period which has resulted in recent action by the Board of Trustees as follows:

"A contract has been authorized employing the firm of Olmsted & Gillette as sanitary engineers to study the problem of general sewage disposal for the city of Glendale together with a committee of twelve citizens who have been appointed by the Board of Trustees and be it said as a compliment to the citizenship of Glendale that of those asked to serve on this important committee that will require a great deal of time and thought, that not one who refused. The names of those who will serve on this committee are as follows: F. H. Vesper, chairman, 104 North Brand boulevard; W. E. Hewitt, Glendale Laundry; Dr. Harry V. Brown, 144 North Orange street; Mrs. Mabel Tight, 612 East Broad-

PLANS FOR ARMY

REDUCTIONS ARE MADE AFTER CONFERENCES; PROVISIONS FOR DEPARTMENTS

WASHINGTON — Provision has been made in the annual army appropriation bill for an army of only 150,000, at the suggestion of President-elect Harding, Representative Anthony of Kansas, chairman of the House appropriations sub-committee, said, in announcing that the bill was ready to be reported out.

The bill, which has been submitted to the House, carries appropriations of \$328,000,000, a reduction of \$62,000,000 from the appropriation for the year and a cut of more than half in the War Department estimates. The cut, Anthony said, resulted from the conviction of committee members that "the army has been living too high."

The most drastic cut was in the amount provided for the pay of civilian employees. The decrease, Anthony stated, would reduce the number of such employees by one-half and mean the dismissal of from 30,000 to 50,000. He added that nearly all construction would be eliminated, and keeping within its provisions would mean that the war department must dispose of at least half of the present army camps.

U. S. Troops to Quit Germany

The committee, he said, felt that the American troops in Germany would be withdrawn in a few months and this influenced it in framing the bill. Testimony showed that the expense of maintaining the troops on the Rhine to December 1 amounted to \$270,000,000, of which Germany had paid only \$30,000,000.

The air service would get \$19,200,000, of which \$4,000,000 is for new production. Several airplanes of a new type carrying seventy-five mm. guns would be authorized.

An "amphibious" tank capable of going under water has been developed, and the appropriation for the tank corps contemplates several.

Liberal provision was made for the student volunteer training corps. The bill also provides for one civilian training camp in each of the nine army corps areas, in which 30,000 men can be trained.

ANOTHER TYPHOID CARRIER

HARRISBURG, Pa.—Chicken salad prepared for a church supper by the acknowledged best cook in a small town in the central part of this state has furnished the clue in a typhoid carrier case that parallels the famous "typhoid Mary" held in restraint by New York health authorities for years because she insisted upon being a cook.

In the New York case ten outbreaks of typhoid, numbering fifty-one cases, were traced to "typhoid Mary," while in the case of the Pennsylvania woman twelve people who served the chicken salad and ate plentifully of it at the church supper contracted the disease.

In addition, it was revealed that the woman's husband, three children, four domestics, two young lady guests, two adult sons home on a visit and various other people were ill at different times in the house where the woman was cook. One of the sons died of the disease.

The epidemic growing out of the church supper has been traced to the woman, who has been an unrecognized menace to her community for thirty years. Positive evidence of typhoid has been found in her system, although she has never had the disease.

way; W. M. Windham, 225 South Central avenue; Charles B. Murphy, 320 East Dryden; G. B. Woodberry, 346 North Kenwood street; G. N. Adams, 335 El Bonito avenue; C. W. Jones, 640 West Broadway; W. W. McElroy, 510 South Adams; A. W. Beach, 633 North Brand boulevard; Mrs. E. W. W. Hayward, 307 North Kenwood street.

Would Call Mass Meeting

"These sanitary engineers and this committee will study this problem together and if they work out a plan upon which they can agree and one that they can recommend that plan will be presented to the Board of Trustees who in turn will present it to a mass meeting. If the mass meeting should pass favorably upon it, an election will be called for bonds sufficient to install the system as recommended and of course the engineers who will have worked and conferred with this commission will be employed to superintend the construction thereof. A definite plan in approved by sanitary engineers and approved by the state board of health has been worked out for sewage disposal for the most congested portion of the business district. Plans and specifications have been authorized for the installation of this system in six blocks in the main business section. Conferences have been had with the people of Verdugo canyon district and they have presented a petition to the Board of Trustees signed by a large majority of the residents of that section asking that a municipal improvement district be formed to vote bonds sufficient to install an outfall sewer for that district and a disposal works at the mouth of the canyon.

"We want you to know and we believe you do that real serious consideration has been given to these problems during the past year and a half and that very practical results have thus far been obtained and that real constructive plans are under way that should result in a final solution of this most important problem."

FAN CAME FROM JAPAN

The folding fan came originally from Japan. In the east fans were carried by both sexes and were much used at important ceremonies. The Japanese had war fans, colored bright red, and there are some fans which have a small poison concealed in the handle. The folding fan was introduced to England in Henry VIII's time, coming from Italy to which it had been introduced by Catherine de Medici.

FERTILIZER FROM ROCK

The Federal Bureau of Soils announces that it has succeeded in extracting phosphoric acid from phosphate rock by heating the mineral, sand and coke, yielding a fertilizer of high value. It has not yet been produced on a commercial scale. The rock can be transported to the farm and by the use of a cheap electric furnace the fertilizer can be made in the barnyard.

It is said that Yellowstone National park contains more geysers than are contained in the entire remainder of the earth's surface.

DRIVE IS PLANNED

**MEN'S ORGANIZATION CENTRAL
CHRISTIAN BIBLE SCHOOL
SEEKS NEW MEMBERS**

The men's class of Central Christian Bible school is making a drive for a regular attendance of sixty and very wisely decided to begin an advertising campaign in The Evening News this week.

Charles W. Bacon, who was for many years a member of University church, Des Moines, Iowa, and who recently moved to Glendale, is now the teacher, succeeding Fred Thompson, who was compelled to relinquish the work on account of ill-health. The men are making a close study of the books of the new testament and find it very interesting. They are regularly organized and hold monthly business meetings.

In an address before the Ottawa Library association, W. O. Carson, inspector of public libraries for the Province of Ontario, Canada, said the province now has 425 public libraries, which, in proportion to population, is the greatest number of any state or province in the world.

The department of commerce has emphatically denied rumors that it has advocated the resumption of trade with soviet Russia.

**GLYCERINE MIXTURE
PREVENTS APPENDICITIS**

Simple glycerine, buckthorn bark, etc., as mixed in Adler-i-ka, removes all foul, accumulated poisonous matter from BOTH upper and lower bowel and prevents appendicitis. Relieves ANY CASE gas on stomach or constipation. The INSTANT pleasant action of Adler-i-ka surprises both doctors and patients. A business man reports great benefit in a long standing case of indigestion and sour stomach.—Roberts & Echols, druggists.

NOTICE THAT COPIES OF PROPOSED CHARTER FOR THE CITY OF GLENDALE MAY BE HAD.

Pursuant to the order of the Board of Trustees of the City of Glendale, public notice is hereby given that copies of the proposed charter for the City of Glendale prepared by the Board of Freeholders and filed with the City Clerk on the 12th day of January, 1921, have been printed in convenient pamphlet form, and that such copies may be had upon application therefor at the office of the City Clerk in the City Hall of the City of Glendale.

PLEA BY PASTORS

**ASK THAT MEETINGS BE NOT
HELD IN CONFLICT WITH
WEDNESDAY SERVICES**

The Glendale Ministers' association, in session yesterday, repassed a resolution unanimously adopted at a meeting held January 5, 1916, in regard to the holding of meetings conflicting with the regular prayer meeting hour on Wednesday night of each week.

The resolution readopted at the gathering yesterday follows.

The pastors of various churches in Glendale, Tropic and Casa Verdugo would very respectfully request all organizations and social groups to, as far as possible, plan not to hold any entertainment, social gathering or any other meeting which would directly conflict with the prayer meeting hour, namely Wednesday evenings from 7:30 to 8:30.

"From the beginning of the church life in this valley, this hour has been sacredly held by the churches represented in this association.

"We desire to assure the different organizations of our sympathy and co-operation to the fullest extent, of all high-grade entertainments and social functions, and we will endeavor to arrange our church gatherings so as not to conflict, but rather assist in making them a success.

"We also desire to go on record as appreciating the kindly spirit of many people, not only in the home circle, but also in organizations outside the church, in planning affairs which are being held on other than Wednesday evenings, thus showing a splendid spirit of co-operation."

Rev. C. M. Crist is president of the local association of ministers and Rev. O. P. Rider is the secretary.

GROWING SERVICE

**AGRICULTURAL DEPARTMENT OF
STATE UNIVERSITY MAKES
REPORT TO PRESIDENT**

Evidence of the increasing service of the University of California to the farming communities of the state in their everyday work was furnished in the annual report of the department of agriculture to President David P. Barrows.

During the year 1919 farm advisors made 25,116 farm visits to help solve some specific problem at the request of farmers. Some 47,300 persons called at the farm advisors' offices for aid, while 206,475 persons were in attendance at the 579 meetings held by them. In addition to these community enterprises, determined by the people themselves, through the farm bureau centers, the farm advisors located 33,063 field demonstrations at which they held 11,971 field meetings, with a total attendance of 77,372 persons.

These field demonstrations were on pruning, orchard management, better sorghum seed, new grain varieties, barley culture, viticulture, cotton culture, vegetable production, forage grass varieties, cover crops, fertilizers, soil management, artificial inoculation, livestock judging, control of animal diseases, orchard testing, and farm management.

Home Demonstration Work
Important advancement has been made during the year in the home demonstration work, the report states. Some 1934 women joined the farm bureaus during the last year and became members of their farm home departments. These departments are now working in 108 of the 322 farm bureau centers in California.

The ten county home demonstration agents who were already established conducted demonstrations in 5568 homes. They addressed 619 meetings, with a total of 19,068 persons and were requested by 1653 housewives to visit their home farms in order to give advice or make helpful suggestions. Their chief activities were directed toward the increasing of flocks of farm poultry, the preservation of foods and vegetables, the conservation of rural health through the building of septic tanks, the remaking of clothing to meet the high cost of living, and the installation of household conveniences.

"More and more the agriculture club work tends to become a normal part of the program of the farm bureaus and is less confined to the schools as its initiating place," reads the report. "The 216 agriculture clubs organized during this past year had a membership of 2084 boys. Reports of 1249 of these showed that they raised crops to the value of \$63,306, with a total net profit of \$28,930.

SHORTAGE OF TREES

The State Nurserymen's association has sent out warning that there is a decided shortage in trees, and those who desire same must order early. There is only about a 60 per cent crop of seedlings from the plantings of two years ago and consequently the crop of trees in the nurseries is not near normal. The nurseries are about 80 to 85 per cent sold out now.

In the recent Austrian elections women voted in greater numbers than men, a fact that is attributed to the women's discontent over the great increases in the cost of living under social democratic rule.

Gigantic Purchase Sale!

AT THE

BOSTON STORE

BURBANK — BURBANK

BEGINNING SATURDAY, FEB. 5th, at 9 a.m.

WE WERE fortunate to secure a big lot of samples from one of the largest wholesale houses on the coast, consisting of Ladies' and Children's Hose, Ladies' and Men's Underwear, Men's Flannel Shirts, Cotton and Flannelette Pajamas and Night Gowns, Handkerchiefs, Men's Golf and Negligee Shirts, Children's Play Suits.

We will place the entire lot on our counters, beginning **SATURDAY, FEB. 5** Sale lasts as long as goods remain on our counters

Ladies' hose in black, white and bal-briggan. Value 25c and 35c. Sample sale price

15c Pair
